Dear Harold,

The "Rockefeller" Whitework is gratuitous and stupid. Why even address the entry of the photo question at all? This is not relevant.

Indeed, they have done us a favor by conducting a surface probe that leaves Nelson and Ford in the open as political targets. Belin hung his own missiles around the White House. In fact the Duke Report gives the House and Senate political incentive to investigate.

The pressure may build. The Zapruder film has in this

Climate Changed Minors  
As per enclosure.

"Lame Bleasted Gregory  
as irresponsible". Lame  
is now a "contrast" albeit  
as late as Nov. of 1973  
He claimed 3 Watergate  
figures were in Dallas  
on 11/22/63. A make change  
of target audiences.

Still, better if  
for less examined reasons.
